

Little Piggy Bib

By Little Yarnner

When my kid was a little baby, I always called him my little piggy. It seemed like all he did was eat eat eat! Now that he's three, he still eats all day and never seems to gain any weight. Typical kid, I suppose. I hope you enjoy my piggy bib pattern. When your little one grows up, you can also use it as a table pad for those hot dishes!

Materials:

Vanna's Choice in Soft Pink and Raspberry
Red Heart in Black
Size I (5.5mm) hook
Button
Tapestry Needle
Stitch marker

Instructions

Head

With light pink and using magic loop, draw up 8 sc and join. Place marker to mark beginning of round.

From this point on, you will be working in a spiral.
